## OUR SAFETY PROCEDURES

We're using virucide on our furniture and key touch points to add to our already thorough cleaning procedures.

Our team are increasing their handwashing, or wearing gloves when setting tables or serving food.

Where possible we are introducing single use items to reduce contact between individuals.

Two households of up to 15 can dine together indoors, although they must be socially distanced by 1 metre plus.

Up to 6 varying households can dine together outside al fresco style, although they must be socially distanced by 1 metre plus.

Sanitisation stations are available throughout our resort for guests use.

We are asking for contactless payment to be made, where possible.
